Dear Ms. Pollice:

Please find enclosed your outdated check recently forwarded to me by Dr. Carmia Borek of Columbia University. I believe you spoke to her today by telephone.

May I request that you re-issue this check and forward it to me directly at the Cancer Research Center. Please make certain that my name appears on the check. May I suggest the following wording, pay to: Conference on Cellular and Molecular Control Mechanisms in Carcinogenesis and Differentiation Organizer: Dr. John S. Bertram.

I would be grateful if you would expedite this matter as the conference is scheduled to begin on February 9, 1988.

Dr. Borek has requested that you send copies of any correspondence to her at: Department of Radiological Research, College of Physicians and Surgeons, Columbia University, 630 West 168th Street, New York, NY 10032.

Thank you for your attention to this matter. We are grateful for your organization's support of this conference.

Sincerely,

J. S. Bertram
